The Wonderlic Contemporary Cognitive Ability Test (formerly the Wonderlic Personnel Test) is an assessment used to measure the cognitive ability and problem-solving aptitude of prospective employees for a range of occupations. The test was created in 1939 by Eldon F. Wonderlic. It consists of 50 multiple choice questions to be answered in 12 minutes. The score is calculated as the number of correct answers given in the allotted time, and a score of 20 is intended to indicate average intelligence.

The most recent version of the test is WonScore, a cloud-based assessment providing a score to potential employers. The Wonderlic test was based on the Otis Self-Administering Test of Mental Ability with the goal of creating a short form measurement of cognitive ability. It may be termed as a quick...

Georgia is a state in the Southeastern United States. It borders Tennessee to the northwest, North Carolina and South Carolina to the northeast, Atlantic Ocean to the east, Florida to the south, and Alabama to the west. Of the 50 U.S. states, Georgia is the 24th-largest by area and eighth most populous. According to the U.S. Census Bureau, its 2024 estimated population was 11,180,878. Atlanta, a global city, is both the state's capital and its largest city. The Atlanta metropolitan area, with a population greater than 6.3 million people in 2023, is the eighth most populous metropolitan area in the United States and contains about 57% of Georgia's entire population. Other major metropolitan areas in the state include Augusta, Savannah, Columbus, and Macon.

The Province of Georgia was established...

The Constitution of the Commonwealth of Virginia is the document that defines and limits the powers of the state government and the basic rights of the citizens of the Commonwealth of Virginia. Like all other state constitutions, it is supreme over Virginia's laws and acts of government, though it may be superseded by the United States Constitution and U.S. federal law as per the Supremacy Clause.

The original Virginia Constitution of 1776 was enacted at the time of the Declaration of Independence by the first thirteen states of the United States of America. Virginia was an early state to adopt its own Constitution on June 29, 1776, and the document was widely influential both in the United States and abroad. In addition to frequent amendments, there have been six major subsequent revisions...

The Constitution of Arkansas is the primary organizing law for the U.S. state of Arkansas delineating the duties, powers, structures, and functions of the state government. Arkansas' original constitution was adopted at a constitutional convention held at Little Rock in advance of the territory's admission to the Union in 1836. In 1861 a constitution was adopted with secession. After the American Civil War its 1864 constitution was drafted. An 1868 constitution was passed to comply with the Reconstruction acts. The current constitution was ratified in 1874 following the Brooks–Baxter War.

The Brooks–Baxter War and passage of the new constitution are considered to mark the end of Reconstruction in Arkansas. This was two years before the disputed 1876 U.S. presidential election and national...

The Constitution of the United States is the supreme law of the United States of America. It superseded the Articles of Confederation, the nation's first constitution, on March 4, 1789. Originally including seven articles, the Constitution defined the foundational structure of the federal government.

The drafting of the Constitution by many of the nation's Founding Fathers, often referred to as its framing, was completed at the Constitutional Convention, which assembled at Independence Hall in Philadelphia between May 25 and September 17, 1787. Influenced by English common law and the Enlightenment liberalism of philosophers like John Locke and Montesquieu, the Constitution's first three articles embody the doctrine of the separation of powers, in which the federal government is divided into...

Georgia is a country in the Caucasus region on the coast of the Black Sea. It is located at the intersection of Eastern Europe and West Asia, and is today generally regarded as part of Europe. It is bordered to the north and northeast by Russia, to the south by Turkey and Armenia, and to the southeast by Azerbaijan. Georgia covers an area of 69,700 square kilometres (26,900 sq mi). It has a population of 3.9 million, of which over a third live in the capital and largest city, Tbilisi. Ethnic Georgians, who are native to the region, constitute a majority of the country's population and are its titular nation.

Georgia has been inhabited since prehistory, hosting the world's earliest known sites of winemaking, gold mining, and textiles. The classical era saw the emergence of several kingdoms,...

The First Amendment (Amendment I) to the United States Constitution prevents Congress from making laws respecting an establishment of religion; prohibiting the free exercise of religion; or abridging the freedom of speech, the freedom of the press, the freedom of assembly, or the right to petition the government for redress of grievances. It was adopted on December 15, 1791, as one of the ten amendments that constitute the Bill of Rights. In the original draft of the Bill of Rights, what is now the First Amendment occupied third place. The first two articles were not ratified by the states, so the article on disestablishment and free speech ended up being first.

The Bill of Rights was proposed to assuage Anti-Federalist opposition to Constitutional ratification. Initially, the First Amendment...

Constitution of Indiana

Indiana's constitution is subordinate only to the U.S. Constitution and federal law. Prior to the enactment of Indiana's first state constitution and achievement

The Constitution of Indiana is the highest body of state law in the U.S. state of Indiana. It establishes the structure and function of the state and is based on the principles of federalism and Jacksonian democracy. Indiana's constitution is subordinate only to the U.S. Constitution and federal law. Prior to the enactment of Indiana's first state constitution and achievement of statehood in 1816, the Indiana Territory was governed by territorial law. The state's first constitution was created in 1816, after the U.S. Congress had agreed to grant statehood to the former Indiana Territory. The present-day document, which went into effect on November 1, 1851, is the state's second constitution. It supersedes Indiana's 1816 constitution and has had numerous amendments since its initial adoption...
