North Carolina (^KARRəˈLYˈnə) is a state in the Southeastern region of the United States. It is bordered by Virginia to the north, the Atlantic Ocean to the east, South Carolina to the south, Georgia to the southwest, and Tennessee to the west. The state is the 28th-largest and 9th-most populous of the United States. Along with South Carolina, it makes up the Carolinas region of the East Coast. At the 2020 census, the state had a population of 10,439,388. Raleigh is the state's capital and Charlotte is its most populous and one of the fastest growing cities in the United States. The Charlotte metropolitan area, with an estimated population of 2,883,370 in 2024, is the most populous metropolitan area in North Carolina, the 21st-most populous in the United States, and the largest banking center...

Role of Christianity in civilization

development and promotion of spas. Protestant Christianity also played a prominent role in the development of the British spas. Contrary to popular belief

Christianity has been intricately intertwined with the history and formation of Western society. Throughout its long history, the Church has been a major source of social services like schooling and medical care; an inspiration for art, culture and philosophy; and an influential player in politics and religion. In various ways it has sought to affect Western attitudes towards vice and virtue in diverse fields. Festivals like Easter and Christmas are marked as public holidays; the Gregorian Calendar has been adopted internationally as the civil calendar; and the calendar itself is measured from an estimation of the date of Jesus's birth.

The cultural influence of the Church has been vast. Church scholars preserved literacy in Western Europe following the Fall of the Western Roman Empire. During...

The following is a list of current, former, and confirmed future facilities of Ford Motor Company for manufacturing automobiles and other components. Per regulations, the factory is encoded into each vehicle's VIN as character 11 for North American models, and character 8 for European models.

The River Rouge Complex manufactured most of the components of Ford vehicles, starting with the Model T. Much of the production was devoted to compiling "knock-down kits" that were then shipped in wooden crates to Branch Assembly locations across the United States by railroad and assembled locally, using local supplies as necessary. A few of the original Branch Assembly locations still remain while most have been repurposed or have been demolished and the land reused. Knock-down kits were also shipped...

The second term of the Sixth Labour Government of New Zealand lasted between 2020 and 2023. It was formed following the Labour Party's landslide victory in the 2020 New Zealand general election. In mid-January 2023, Prime Minister Jacinda Ardern resigned and was succeeded by Chris Hipkins. During the 2023 New Zealand general election held on 14 October, Labour lost its majority to the opposition National Party. The Government remained in a caretaker capacity until the new National-led coalition government was sworn in on 27 November 2023.
