Flyfisher's Guide to Mexico

Mexico has enough flyfishing opportunities to keep an angler busy for decades, and author Phil Shook breaks it down from Baja to the Yucatan and well beyond. Everything from tourist destinations like Cancun, Mazatlan and Acapulco, to lesser known locales such as Campeche, Ascension Bay, Tampico, Veracruz, Xcalak and much more, Shook has dedicated years of his life to researching Mexico's vast fisheries, and readers are privy to his insights in this all-inclusive book. If it's a viable sport-fishery, it's in

the book. Shook guides anglers to the best tarpon, permit, bonefish and roosterfish fishing, while giving tips to steer them clear from potential trouble. Shook also details the best lodges, guide services and guides from his experience. Also covered are dorado, sailfish, mackerel, redfish, seatrout, snook, jack crevalle, marlin, ladyfish, snapper, tuna, barracuda, baby tarpon, needlefish, skipjack and more. Angler's need not avoid Mexico with the information contained in this guide. If you're a seasoned saltwater expert looking to expand your repertoire, you'll want this book. If you've always dreamed of getting wet in the tropics with targeting 100-pound tarpon or 8-pound bones, you'll want this book.

A Selected Guide to the Literature of the Flowering Plants of Mexico

Sea turtle populations around the world are endangered, and in recent years tourism has been a critical element in worldwide efforts to save them. More travelers seek meaningful

experiences that bring them close to nature and wildlife, and opportunities to interact with and help sea turtles now exist at locations around the globe, from remote beaches to urban labs. In *A Worldwide Travel Guide to Sea Turtles*, a scientist, a conservationist, and a journalist have come together to provide a guide to the places where people can view sea turtles and participate in authentic conservation projects. Covering five continents and including the South Pacific and Caribbean, the authors direct readers to the parks, reserves, and research sites where they can responsibly observe turtles in the wild, especially nesting beaches where people can see female sea turtles lay eggs and hatchlings make their harrowing journey from nest to sea. Options for on-site lodging and other amenities are included, if available, as well as details of other nearby attractions that travelers may wish to include in their itineraries.
